

# WELCOME TO CERISE

Welcome to Cerise Grand Café in the historic city of Roermond!  
The name Cerise is a reference to the famous cherry applesauce from Van der Valk. Although that dessert is no longer on our menu, you can still enjoy delightful dishes from the French cuisine prepared with fresh ingredients.

## Vis & Seizoen

Worldwide, fish consumption is increasing, with disastrous consequences for fish stocks.

At Cerise Grand Buffet and Cerise Grand Café, we therefore choose only sustainably caught fish. Seasonal fishing and consumption are essential to preserving and restoring global fish populations.

The Vis & Seizoen Foundation contributes to this by promoting sustainable fish consumption and only supporting fishing during the right seasons. The greater the awareness, the greater the chance of restoring and preserving various fish species.

Even fish with a sustainability label are not always responsible to eat year-round. The rule is simple: leave fish alone during their spawning season.

The Vis & Seizoen Foundation has created a 100% Vis & Seizoen assortment based on strict criteria: the right season, sustainable fishing techniques, a healthy population, and premium quality. This selection includes MSC- or ASC-certified fish or fish approved by the Good Fish Foundation.
