

Preface

Dear guest,

A lot of things enter into organizing an event. Therefore we want to make this as easy as possible for you if you choose to organize an event at TheaterHotel De Oranjerie.

TheaterHotel De Oranjerie is a flexible partner in the organization of your congresses, meetings, courses, business presentations, receptions, weddings, staff parties, dinners and other events. The meetings & events rooms are furnished full of atmosphere and are pre-eminently suitable for business or festal meetings.

The theatre hall, which has over 750 comfortable seats, meets the needs of all demands required for a professional organization of a symposium or congress. Our capacity reaches far. In combination with our other conference rooms we have more than once made the organization of large-scale events of 1500 people to an unforgettable success. The 102 hotel rooms and suites, equipped with all modern conveniences, will make a short or longer stay a great pleasure.

Because TheaterHotel De Oranjerie is situated in the centre of Roermond, it is easily attainable by own or by public transport. The car park next to the TheaterHotel gives you the opportunity to park quickly and nearby. Of course a perfect situation only is not satisfactory. Therefore we would like to draw your attention to the extensive facilities which TheaterHotel De Oranjerie can offer you and your guests.

Do you have any special wishes? Would you like an event organized at your own standards? Our meetings & events employees find it a challenge to make your event, in cooperation with you, to a special event. Please feel free to contact us for an extensive explanation or a tour around the hotel.

We hope we may welcome you soon for a personal encounter.

Het Arresthuis

The Netherlands gained a new spectacular hotel on a historic location in April 2011: the former prison of Roermond. Once a place where no one would voluntarily go to. Now: a luxurious five star hotel with 40 rooms, where everyone will be gladly incarcerated. The elements of the prison dating back to 1863 are still intact, which gives the building a truly typical atmosphere. The cast-iron staircases, original cell doors and barred windows reveal the secrets of this marvellous location. You naturally do not have to endure the hardship of the old days when you come and stay here as a guest. On the contrary: you will experience nothing but luxury in Het Arresthuis. This unique location is not only perfect for an overnight stay, dinner and meeting, but also for a delicious lunch or to enjoy a drink in the bar.

Damianz

The restaurant, Damianz is the culinary heart of Het Arresthuis, and well known in Roermond and surroundings. One of the reasons for its success is the menu, where guests can choose between the Damianz menu or the Chefs menu. All wonderful dishes made by our chef are accompanied by natural and fine wines. Our maître d'hôtel only serves pure and natural wines. He will offer you an unforgettable dining experience with excellent wines and a top-class service.

Meetings & Events

Het Arresthuis has 4 modern decorated meeting rooms that offer a ray of possibilities for meetings and events. All meeting rooms are equipped with all technical comforts needed for a care free meeting.
